

# The 1st RobotCub open day

Author: Giorgio Metta<[giorgio.metta@robotcub.org](mailto:giorgio.metta@robotcub.org)>

RobotCub organized its first "open day" on July 14th, 2005 with free and open discussion on the project goals, methods, development, etc.

The "open day" video recording and slides can be accessed by [clicking here](#).

In particular, the open day focused on:

1. Review of the (embryonic) iCub models of cognition
2. Overview of the iCub mechatronic humanoid
3. Discussion of iCub co-development of physical morphology and cognitive skills
4. External perspectives: invited keynote speech and suggestions by guests on iCub

...and a lot more!
